

THE UNIVERSITY OF BRITISH COLUMBIA

Department of Physical Therapy

Faculty of Medicine

Current knowledge and evidence implementation in osteoarthritis non-surgical management. Are we addressing the gaps?

Friday, March 23, 2018

12:00pm to 1:00pm

VGH Paetzold Auditorium

899 W 12th Avenue, Vancouver, BC

Please RSVP by Friday March 2, 2018 to confirm your attendance at this event by emailing Brenda Wessel at brenda.wessel@ubc.ca and let her know if you will be attending in-person or would like to connect via videoconference at a UBC videoconference site.

Aileen M. Davis, BScPT, MSc, PhD

Senior Scientist and Division Head,

Division of Health Care and Outcomes

Krembil Research Institute, University Health Network

Professor, Institute of Health Policy, Management and Evaluation,

Dalla Lana School of Public Health

and Department of Physical Therapy, University of Toronto

Aileen's research focuses on evaluation of outcome in musculoskeletal conditions including osteoarthritis, non-surgical management and joint replacement with an emphasis on evaluation of modifiable predictors of outcome. Current work includes national implementation and evaluation of an education and exercise program for people with hip and knee osteoarthritis, GLAD™Canada.
